

# Canada Among Nations 2014

## PANEL DISCUSSION + BOOK LAUNCH RECEPTION

FREE EVENT — RSVP REQUIRED

### CRISIS AND REFORM

Canada and the International Financial System

Edited by Rohinton Medhora and Dane Rowlands

Canada weathered the 2008 global financial crisis relatively well in comparison to many countries, but it did not escape unscathed. This volume, the 28th edition of the Canada Among Nations series, examines Canada's current role in the international financial system and the government's policy response to the global financial crisis.
