CONFERENCE DESCRIPTION

On Wednesday, February 17, The Center on Democracy, Development and the Rule of Law at Stanford and the Center for International Governance Innovation will present an all-day conference entitled “New Alliances in Cybersecurity, Human Rights and Internet Governance.” The conference will discuss the challenges of creating a regime of internet governance that pays attention to security and human rights in the digital context.

Carl Bildt, former Prime Minister & Foreign Minister of Sweden, and Chair of the Global Commission on Internet Governance (GCIG) and **Marc Andreessen**, co-founder of Netscape and Andreessen Horowitz are the scheduled keynote speakers. Other speakers for the event include **Michael McFaul** (Director, FSI), **Eileen Donahoe** (Human Rights Watch/FSI), **Sir David Omand** (former Director, GCHQ, UK), **Michael Chertoff** (former Secretary of Homeland Security, USA) and **Marietje Schaake** (Member of the European Parliament).

RSVP Required. To **RSVP**, & for **full conference agenda**
